**Re: Docket No. 14-0496**

Dear Ms. Rolando:

Attached is an Errata to the Rebuttal Testimony of Joint Applicants witness James F. Schott (Joint Applicants Ex. 9.0). Included in this filing is a revision marked and a clean version of the exhibit.

The revisions are:

- Added "REV" after "JA Ex. 9.0" in the headers and footers;
- On the cover page, added "Revised" before "Rebuttal Testimony of"; and
- Revised the first phrase of line 149 from "No existing oversight and review mechanisms exist, ... ." to "No. Existing oversight and review mechanisms exist, ... ."

Very truly yours,
